WARNINGS

1. Do not use this form if you are challenging the validity of your criminal conviction or your criminal sentence. If you are challenging your conviction or sentence, or if you are seeking restoration of good-time credits that would shorten your sentence, you must file a Petition for Writ of Habeas Corpus. If you use this form to challenge your conviction or sentence, you risk having your claim dismissed. Separate forms are available for filing a habeas petition.

2. Under the Prison Litigation Reform Act ("PLRA"), you are required to exhaust all remedies in your institution's grievance system that are available to you before filing suit. This generally means that you must file a grievance and, if it is denied, appeal it through all available levels of review. Your case may be dismissed if you fail to exhaust administrative remedies, unless the administrative grievance process was not "available" to you within the meaning of the PLRA. You are not required to plead or show that you have exhausted your claim in this complaint.

Dear Justices this is an addendum to my 1983 petition against the CIA, DIA and NSA. I am not requesting any compensation for service rendered or for the opportunity to serve as POTUS through 2024 2026. I am not requesting financial relief in this suit I have numerous businesses.

Donald Trump is not qualified to be president of the United States - his criminal record is irrelevant because he did not act out of malice he is simply not a very smart person nor is he evidently able to defend himself and by proxy us. He was worth some 4 billion USD but taking into account inflation since 1967 4 billion is less than the 1 million his father gave him. He lost the election in 2020 because like Al Gore he failed to utilize American Justice. Where was Donald during Vietnam? We don't know his views on that war - we only know he opposed the Iraq war because

it obfuscated Gores failure to hold W.  
accountable.

The CIA, ~~DIA~~ Central Intelligence Agency -  
DIA Defense Intelligence Agency - and NSA National  
Security Administration pass terrorist threats  
because their malice structurally straddles the  
gap between languages and idioms ~~it~~ ~~their~~  
malice predicated on assuming who they spy  
on act in Bad Faith.

Like Robert Fischer's decision to stop playing  
chess after he successfully represented the  
economy he and his opponent(s) were subject  
to when he beat Boris Spassky paternalism  
is proscribed as a function of the implications  
of industrialization - charity, philanthropy as  
a function of objective and subjective  
community of perspective predicated on Art  
in the Age of Mechanical Reproduction - the  
difference is authority is a reflection of its  
ground we cannot execute people where we  
admit the parameters and premises of the

Page 2 of 7

admission to the possibility of human error absent malice have been factorialized. Joe Biden stole the 2020 election. But it was far worse than Rudi Guilani argued.

Intellectual property is at the center of free markets and the rule of law generally but I did it. I wrote Joe's strategy and policy in 2014 on the White House.gov.

I knew Obama only pretended to read Americans letters. Is Obama a CIA mole? How was his mother British and his grandparents 'her' parents American and how is Obama only sixty ish if they were I wrote Joe

The Doctrine of Piety: Corinthians 1, 15:56

'The sting of Death is sin and the Law is the strength of sin.' Hebrews 9:16 'The power of the Law is that it lasts after men are dead.'

I knew Joe would take the bait. Representationally a Hegel weakness obliges our foes to resolve their problems independent of us - the war in Ukraine is a Slavic problem.

The ongoing conflict is the Middle East is a Semetic (Sons of Abraham) problem. Joe is incompetent but the Marines who died in Afghanistan died for their country, they died honorable deaths. Would you rather they hadn't? Would you rather we never fought the Taliban? Islam is the most beautiful religion in the world. Who would you rather fight? I want two more years in the White House. Or wherever I am. I lied about the number of times I used Marijuana when I enlisted in the US ARMY. According to State v. Blake I am a free man but six years six is the most stable and dynamic number. I am 42 years old 43 in October the number of the Universe or the meaning of Life. I was Sri Krishna, six pharaohs of Egypt, Cornwallace, Frederick Douglas, Donald Trump's father three times, Plato, Epictetus. I am an artist and business man, I believe psychoanalytic transference isn't consensual?

between persons of the same gender and it's impossible to deceive someone of the same gender without being malicious but that civility is a function of deception and consent. I believe the implications are men should be in business and state. Women should be in religion and business. But for the next two years I'd like AOC Alexandria ~~Acosta~~ Ocasio Cortez to be my vice president because Latinos need to have a more powerful representative than a man is capable of procuring. The Supreme Court was correct in giving Donald immunity, as it is in giving Prime Ministers and Presidents the same protection because leadership requires behaving beyond a merely defensible. But Donald is not a leader - all of his charges are petty. E Jean Carroll like Kant is a mother of lies, I have no doubt she masturbates to my son after the fact.

I've never harmed anyone outside of self defense and you're not going to ever know the truth of that without losing your life as well. I never touched the Priest.

I never stalked Nasset or Norman or Moore. The law mediates the circulation of capital and phenomena attributable to it. Weakness is strength representationally via Hegel. The Liar's paradox and Soring Theory provide us with a composite of political and legal agency - I am the King of England because according to Asnatcha, a person who claims innocence on pain of damnation is innocent and Ann Boleyn's father was Lord Rochford but like common law state decisions totes nobility is to some extent arbitrary. Based on education more than anything and Charles is in that respect much more fit than I and William too. My end game - I would like to reconcile with the UK - my end

game is to like to be one of three kings  
 at the UN. Darren Wood Woodley (\* Politics,  
 reconstruct see Yung & <sup>Carl</sup> Campbell of King Solomon  
 and descendant of King Abubari II the oldest  
 line of nobility,) ~~was~~ Alex Sage Rogers (Military,  
 Green Beret/Ranger MASTER SERGEANT \* saved my life, rein-  
 carnation of John Singer Sergeant))) and Euler) and me  
 (Legal/medical) my father is a criminal like  
 Joe - I grew up in a muerda. Terrorists  
 though like Jill and Joe not Hunter, are  
 unable to simulate emotions, affect and so-  
 that matter malice. They are unable to  
 reciprocate affect which is why Larry  
 Kudlow and his Russian co author of Trump's  
 economic policy worked. I have better policy  
 but this is a token of consent. Placebo  
 like all objective eFX is a function of affection.  
 Joe ate Donald in 2020. He has the morality of  
 a zombie. But Donald can't fight. And granted  
 war as the Ukraine civil war has clearly shown  
 isn't a street fight.

3. Please review your complaint carefully before filing. If your case is dismissed, it may affect your ability to file future civil actions while incarcerated without prepaying the full filing fee. Under the PLRA, a prisoner who has had three or more civil actions or appeals dismissed as frivolous, malicious, or for failure to state a claim cannot file a new action without first paying the full filing fee, unless the prisoner is in imminent danger of serious bodily injury.

Do not include:
